The Achieve Program

Inspire, guide and prepare students in deciding on a business career and securing employment.

Fall 2008
Why ACHIEVE?

ACHIEVE is a professional development program, which will teach you important skills to be successful in the business world and give you a competitive edge in gaining employment in the labor market.

*CRN 43708*
How does it work?

- All incoming freshman business students will go through the ACHIEVE program.
- ACHIEVE will consist of four courses (Freshman-SBC 199, Sophomore-SBC 299, etc.). They will work mainly through Moodle, Oakland University’s online learning system.
- There will also be classroom presentations you will attend.
- All classes are 0 credit and 0 tuition.
Okay, what will I learn?

ACHIEVE will follow you from freshman to senior years, and will coincide with your stage of educational development.
As a freshman, in SBC 199 you will

- Networking with Professionals
- Introduction to Careers in Business
- Exposure to SBA Student Organizations
- Business Research Methods
- Introduction to Career Services
